

(Summary Published in the McPherson Sentinel \_\_\_\_\_, 20\_\_\_\_, once)

**ORDINANCE NO. 3295**

**AN ORDINANCE FOR ADOPTION OF SMALL CELL  
AESTHETIC STANDARDS FOR THE CITY OF McPHERSON,  
KANSAS**

**WHEREAS**, the governing body of the City of McPherson, Kansas finds it available to adopt clear and consistent aesthetic standards for placement of small cell antenna structures within the public right-of-way; and

**WHEREAS**, the governing body of the City of McPherson, Kansas likewise finds it advisable to adopt a review process for applications submitted in accordance with the aesthetic standards for placement of small cell antenna structures; and

**WHEREAS**, the governing body of the City of McPherson likewise finds it advisable to adopt a fee schedule for applications submitted in accordance with the aesthetic standards for placement of small cell antenna structures.

**NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF MCPHERSON, KANSAS:**

**Section 1.** The attached aesthetic standards for placement of small cell antenna structures is hereby adopted and declared to be the official aesthetic standards for the jurisdiction of the City.

**Section 2.** Said standards shall constitute the basis for determination of approval of applications submitted after the effective date for placement of small cell antenna structures.

**Section 3.** Application fees shall be set from time to time by Resolution of the governing body.

**Section 4.** Applications shall be subject to the following time limits:

- A. Applications must be review for completeness and applicant shall be notified in writing if the application within 10 days of submission.
- B. Re-submitted applications reviewed for completeness and applicant shall be notified in writing if the application is unacceptable within 10 days of submission.
- C. An application to collocate a small wireless facility on an existing structure shall be acted on within 60 days of application.

- D. An application to request a non-substantial modification, including modifications to macro towers, shall be acted on within 60 days of application.
- E. An application to collocate a facility other than a small wireless facility using an existing structure shall be acted on within 90 days of application.
- F. An application for a small wireless facility using a new structure shall be acted on within 90 days of application.
- G. An application for a facility other than a small wireless facility using a new structure shall be acted on within 150 days of application.
- H. Notification to the applicant that the application is unacceptable in writing will toll the time limits.

**Section 5. Publication and Effective Date.** This ordinance shall take effect and be in full force and effect from and after its passage, signature and publication of a summary of this ordinance in the official city newspaper and posting of the full text of the ordinance on the city's website in compliance with K.S.A. 12-3007(b).

**ADOPTED** by the governing body this 31<sup>st</sup> day of December , 2018.

CITY OF MCPHERSON, KANSAS
